Case No. _____

Filed Under Seal

AFFIDAVIT IN SUPPORT OF
AN APPLICATION FOR A SEARCH WARRANT

I, Joseph L. Rossiter, being first duly sworn, hereby depose and state as follows:

1. I am a United States Postal Inspector and have been since May 2016. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the illicit use of the United States Mails in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").

2. Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Criminal Proceeds. Additionally, as a result of prior investigations, law enforcement training, and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a package may contain Drugs and/or Criminal Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery

address, the package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

3. On September 22, 2023, Postal Inspectors intercepted a package (hereinafter “the Package”) at the Cincinnati Network Distribution Center (NDC). The Package is a Priority Mail brown box, bearing tracking number 9505513185823263169189, postmarked September 20, 2023, with the following address information:

Sender: Sukyo Qube Tronics
155 Junipero Serra Blvd
San Francisco, CA 94112

Addressee: Sarah Atwood
5759 Ericsson Way
Trotwood, OH 45426

Through law enforcement training and experience I know that Northern California is known drug source location. I also noticed an excessive amount of taping upon the Package.

4. I performed a check in the CLEAR database for the addressee’s information on the Package of “Sarah Atwood 5759 Ericsson Way Trotwood, OH 45426” according to CLEAR there is no “Sarah Atwood” associated with 5759 Ericsson Way, Trotwood, OH 45426. CLEAR is a law enforcement database that is used as a tool by investigators designed to link subjects to a particular address.

5. I also performed a check in CLEAR for the sender’s information listed on the Package of “Sukyo Qube Tronics 1155 Junipero Serra Blvd San Francisco, CA 94112.” According to CLEAR, there is no person or business “Sukyo Qube Tronics” associated with 1155 Junipero Serra Blvd, San Francisco, CA 94112.

6. On September 22, 2023, at my request, Dayton Police Department Officer Jeremy Stewart conducted a narcotics-detection canine "free air" check of the outside of the Package. I was present during said check. The Package was placed in a controlled area, amongst similar and like packages, and presented to narcotics-detection canine, "Weston." As set forth in the attached affidavit of Officer Stewart, "Weston" alerted positively for the presence or odor of a narcotic or other controlled substance. "Weston" is a properly trained and certified narcotics-detection canine.

7. Based on my prior law enforcement training and experience as a United States Postal Inspector, the Package's address information, including (i) no known association between the sender and return address, (ii) no known association between the addressee and the recipient address, and (iii) the positive alert of the narcotics-detection canine are all indicative of, and consistent with Drugs and/or Proceeds being present in the Package.

Therefore, I respectfully request a search warrant to be issued authorizing the opening of the Package.

Further, your affiant sayeth naught.

Respectfully submitted,

Joseph L. Rossiter

On 9/22/23, at the request of Postal Inspector ROSSITER, I responded to the DAYTON P&DC, where "Weston" did alert to and indicate upon: [describe item]
